Serving God and serving one another

1st October 2018

Dear Friends and members of this part of God's family,

DEDICATION SUNDAY AND OUR STEWARDSHIP

Sunday 28th October is our Dedication Sunday.

THREE T'S ; Time, talents and treasure.

On that day we ask you to pledge your stewardship of time, talents and treasure. Your stewardship of what God has given to you to use in the first place. You will be invited to place your time and talents dedication and monetary pledge on the altar.

DEDICATION

Please;

Give

Give of your time talents and treasure

Keep your giving in line with your income.

Give a percentage. Even if it's not 10% of gross.

Please take this seriously. EFT is the most convenient way to do it, but if you like to place it in the plate every month we fully understand and will cater for it. Yet we have many parishioners who complete the cards, but never collect their envelopes from the back of church.

TALENTS AND TIME

Please consider assisting in some way with the running of things. In some areas we are "running almost on empty." We struggle to find the full complement of Youth Worship ministers. Sacristans at St Michael's are down to almost half-strength (not them individually, they do a stirring job, but we should have two to a team). In several areas, often those on duty don't manage to be there to do it. The library is a new area and we are looking for volunteers for that area (its not on the form, please add it as an extra if you would like to assist.).

God and his church need YOU.

TO END; A BIG THANK YOU to all who support the parish so wonderfully. Thank you too to those whose money contributions cannot be large, but give generously and sacrificially from what they have, and to those who give expansively of their time and talents.

With fond love,

Yours in Christ,

Fr Tom, Deacon Barbara, and the Wardens and Councillors.
